THE STRONGEST WARRANTY IN THE SOLAR INDUSTRY

Get peace of mind with a warranty
you can count on to protect
your solar investment

Solstice® Panel

CertainTeed has been a leader in the building products industry for more than 119 years, and CertainTeed Solar is proud to offer you the strongest warranty in the solar industry. Unlike other solutions or providers that have separate warranties per component, you get one all-encompassing warranty with CertainTeed, covering all major system components. Not only that, the workmanship on the installation of all system components supplied by CertainTeed is also covered when you work with a CertainTeed Solar contractor. We value quality in our own products, as well as those we choose to be on our pre-approved vendor list for the balance of the solar system. This includes working exclusively with quality contractors, so we feel the homeowner is getting the best in both product and installation, with all of it backed up by the most solid company providing solar solutions to the industry.

Why work with a CertainTeed Solar Installer

- CertainTeed Solar contractors are experts in their field. Their quality, attention to detail and professionalism allows them to offer CertainTeed's installation workmanship warranty for up to 25 years
- Warranty for all major system components that are part of Approved Vendor List (AVL) backed by CertainTeed
- End-to-end coverage for our products and the installation workmanship, even if the contractor who provided your service is no longer in business for CertainTeed Solar Master and Select Solar Master or Solar Roofing Specialist
- If you already have a CertainTeed roof, or if you replace your roof with CertainTeed's roofing products, your entire roof and solar system are covered by one company

What does it cost?

There's no additional cost for CertainTeed Solar's comprehensive system and workmanship warranty. Because you're working with a CertainTeed Solar Master/ Select Solar Master or Solar Roofing Specialist.

If I have an issue, how does it work?

CertainTeed Solar's warranty is straightforward. If you're having a problem with your solar system, contact your CertainTeed Solar Master / Select Solar Master or Solar Roofing Specialist. If they are not available, you can submit a warranty claim directly with CertainTeed by calling 800-345-1145 or online at www.ctndl.com/resndlsite

Your warranty covers the cost of having a CertainTeed Solar Master (for 15 years) or Select Solar Master or Solar Roofing Specialist (for 25 years):

- Test the system to determine the cause of a performance problem
- Repair or replace any defective components
- Correct any faulty installation workmanship
